No. 581.

SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

## BRITISH PROPERTY IN ENEMY COUNTRIES.

## HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied

to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public securities of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

##### AT THE EXECUTIVE COUNCIL CHAMBER.

VICTORIA, 7th February, 1917.

PRESENT:

##### THE HONOURABLE THE ADMINISTRATOR IN COUNCIL.

**O**N the recommendation of the Honourable the Attorney-General and under the provisions of the "Court Rules of Practice Act" and all other powers thereunto enabling, the Honourable the Administrator of British Columbia, by and with the advice and consent of his Executive Council, doth order as follows:—

1. During the war no probate of a will or letters of administration of the estate of any German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, shall be granted in respect of any assets in this country without the express licence of the Crown acting through the Minister of Finance.

2. In all cases where probate or letters of administration are granted during the war to any person entitled thereto, the grant shall be made upon the condition that no portion of the assets shall be distributed or paid during the war to any beneficiary or creditor who is a German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, or to any one on his behalf, or to or on behalf of any person resident in Germany, Austro-Hungary, Turkey, or Bulgaria, of whatever nationality, without the express licence of the Crown acting through the Minister of Finance; and if any distribution or payment is made contrary to this condition the grant of probate or letters of administration will be forthwith revoked.

#### ENGINEER'S REPORT.

CHILLIWACK, B.C., May 8th, 1919.

To the Chilliwack Municipal Council,  
Chilliwack, B.C.

GENTLEMEN,—I have the honour to submit the following report on the proposed Elk Creek drainage project:—

Heretofore I have had the privilege of submitting two reports on this project wherein the various problems involved and the works required were dealt with in considerable detail. The present report is designed and briefly sets out in a general way the works necessary to accomplish the desired drainage. The plans and profiles of the recommended works were submitted to you on the 23rd day of April, 1919. Pursuant with the instructions of the Honourable the Minister of Agriculture and at the request of your honourable body, I proceeded to the vicinity of Elk Creek on the 3rd day of April, 1919, for the purpose of surveying the ground and studying the conditions obtaining in the proposed drainage area. As a result of careful examination I would recommend the following works as being necessary to accomplish the desired drainage:—

(a.) The deepening of the Elk Creek interception-ditch from a point situate 1,320 feet south of the north-west corner of Section 24, Township 26, and its outlet at Hope Slough.

(b.) The deepening of the channel of Elk Creek from its interception with the Elk Creek interception-ditch to a point about 690 feet east of the centre point of Section 25, Township 26.

(c.) The dredging of a ditch from a point situated about 690 feet east of the centre point of Section 25, Township 26, in a due east direction to the north-east corner of the South-east Quarter of the said section.

(d.) The dredging of a ditch from the point where Elk Creek crosses the east line of the North-west Quarter of the said section in a due south direction to a point about 660 feet north of the south-west corner of the South-east Quarter of the said section, and from thence in a due east direction for a distance of about 1,000 feet, more or less, the actual distance to be determined by the engineer at the time of construction, the object being to collect the waters of Elk Creek without actually tapping the stream in order to prevent as far as possible the filling-up of the ditch with the gravel carried by the creek.

The cost of the various portions of the work as outlined and lettered above is estimated approximately as follows:—

(a.) The dredge cut north to C.N.R.,	
9,250 lin. ft. ....	\$1,880 00
Hand-work north of C.N.R., 2,400	
lin. ft. ....	1,000 00
(b.) Dredge cut, 5,000 lin. ft. ....	1,000 00
(c.) Dredge cut, 1,900 lin. ft. ....	650 00
(d.) Dredge cut, 3,200 lin. ft. ....	1,200 00
Clearing right-of-way, 3,200 lin. ft. .	600 00
Contingencies to cover engineering, clerical work, extras, and replacing of bridges, etc. ....	798 00
Total .....	\$7,128 00

**DOMINION ORDERS IN COUNCIL.**

[1930]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 3rd day of May, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

**THE** Committee of the Privy Council have had before them a report, dated 28th April, 1919, from the Minister of the Interior submitting that the British Columbia Anti-Tuberculosis Society hold under leases those portions of Section 19, North-west Quarter of Section 20, West Half of Section 29 and Section 30, lying north of the Indian Reserve, South-east Quarter of Section 31 and South-west Quarter of Section 32, Township 20, Range 18; North-west Quarter of Section 6, Section 7, West Half and South-east Quarter of Section 8, South-west Quarter of Section 17, South-east Quarter of Section 18, and the South Half of the South Half of Section 20, Township 21,

Range 18; Frac. East Half of Section 25, South-east Quarter, North-west Quarter and North Half of the South-west Quarter of Section 36, Township 20, Range 19; those portions of the North Half and South-west Quarter of Section 1, and the South Half of Section 12, lying east of the river, North-east Quarter of Section 12 and South Half of Section 13, Township 21, Range 19, all west of the 6th meridian, containing an area of 4,999 acres, more or less. The lands affected are open to homestead entry and sale, and the leases may be terminated by giving two years' notice.

This Society has established an institution at Tranquille, British Columbia, for the treatment of tubercular cases, which institution is under the supervision of the Provincial Government. The grazing lands above referred to are used in connection with the institution, and the Society, being desirous of obtaining a more permanent lease, has made application for one covering ten years, which shall not be subject to the lands affected being homesteaded, sold, or otherwise disposed of. Those lands having been examined by an officer of the Department of the Interior, who reports them unfit for agricultural purposes, the Minister recommends that authority be granted for the issue to the Society of a lease for a period of ten years covering the same, and subject to the conditions contained in the regulations governing the granting of grazing leases in the Railway Belt, except that the lease cannot be cancelled by giving two years' notice, and that the lands affected shall not be open to homestead entry, sale, or other disposition.

The Committee concur in the foregoing recommendation, and submit the same for approval.
